

Clear, ultra-slim design

Large screen useable space

Compact powerful

Pure in the structure, purely in the design, purely in the application. The POS-222 PurePOS GT is a POS system that provides the latest technology with a clear design and high functionality. User-oriented features allow for a scope that meets the needs.

The nearly frameless panel construction and the fantastic 1920 x 1080 DPI resolution enable a visual language that renders your interface and graphics razor-sharp.

Request our new powerful POS-222 PurePOS GT.
